THE MEETING ITSELF

1. - Presentation of participants:

After the words of welcome, on the part of the organizers, each participant gives a short introduction of itself.

- Lithuania: 4 people
- Slovakia: 2 people
- Spain: 5 people
 - Asturias: 3 people
 - Cantabria: 2 people

2. - Working Documents:

A work dossier containing the following documents is given to the participants:

1. Minutes of the meeting held in Červený Kláštor on 20th April 2007.
2. Agenda.
3. Work table to obtain conclusions (common and different points among countries).
4. Mobile Telephony and Internet Leaflets.

The information for the Lithuanian and Slovakian participants is in English and the meeting is held in this language.

3. - Development of the meeting:

Following the agenda, and after the introductions, the work starts with:

- A) Reading and approval of the minutes of Červený Kláštor's meeting.
- B) Review of the Documentary Study which must be finished and put on the websites of the project.
- C) Review of the Survey results which must be finished and put on the websites of the project.
- D) Conclusions: Comparative Analysis of the Documentary Study and the Survey. The Internet and Mobile Telephony Leaflets and Work table were used as base in order to obtain the common and different results among countries.
- E) Each country must carry out a communication campaign with the obtained conclusions via a mailing to:
 - Mobile Telephony and Internet companies.
 - Public Bodies.
 - School Centres.

As well as dissemination in the Media.

- F) Distribution of the modules for the design of the Learning Plan and, among all countries, it is fixed the scheme of the different modules that compose it.

4. – Working timetable and points to be carried out:

It is agreed to have proposals of activities for each of the modules of the Learning Plan for the next meeting in Slovakia.
